

C300 FLEX FACE DRIVER

Power Your Play

Introducing C300, a revolutionary new driver with the power, feel and accuracy that only Wilson Staff can deliver. Power holes generate more flex more flex means longer drives.

Power Holes – The first driver head design with Power Holes placed on the crown and sole near the face, expanding the sweet-spot for greater ball speeds across the entire hitting surface.

Fast Fit Technology – Green means go. One of the lightest, smallest, fastest and easiest to use adjustable hosel systems featuring six loft settings.

Multifit 3.0 – 3 different weight placements, 6 different hosel loft adjustments, 3 different driver head lofts gives 54 unique C300 head set ups
